Agency Office DMA Code: _____

Agency Software Used: _____

Will ALL stations be routed to one location? (circle one) Yes No

If **NO**, directly below, please indicate which offices will be handling which stations:

Agency Name	Agency Office DMA Code	Station	Rep Office

Note: This Xport-Order Registration Website exists expressly as a convenience for Agencies to register with the Cox Reps at one time.
The sole purpose of this registration is to provide the technical information needed by each individual Rep firm to receive orders sent electronically as an emailed ".xml" file type attachment transmitted from an Agency's Xport-enabled Spot Buying system to a specific Rep firm.
No specific order information is ever shared across companies.
This Xport-Order Registration Website pertains solely to TeleRep, HRP and MMT.
You must contact all other Rep Firms to register with their systems!
